The general health on our Prairie is good.

Some farmers are trying to plow but the most of them find the ground too hard to accomplish anything.

The German church will celebrate its annual Mission Feast on the last Sunday in August. All are welcome. The choir of mixed voices under Prof. J. A. Wiedman's instruction is busily employed learning several songs for the occasion. The Freistatt band will furnish the music for the services and will give a concert after the ceremonies are over. A committee of ten has completed all preliminary work to furnish refreshments and to supply seats and table for all. Remember the date, August 27. The services will be conducted in the English language in the afternoon.

Now as our town is incorporated we may justly expect some improvements.

Several young people have organized a tennis club and have a tennis court which is in daily use. Prof. Alvin Roschke from Chicago is spending his vacation at home. He is one of our star tennis players.

First National Bank 100-Weeks Savings Club

The habit of saving is more strongly encouraged by the U. S. Government than ever before.

Progressive Banks everywhere are encouraging and receiving small deposits.

Systematic saving is the sure sign of success and contentment, when coupled with Life Insurance protection without cost, and appeals to the thoughtful mother, who realizes what it means in times of unexpected distress—that come sooner or later in every home.

The Plan is Simple and Easy

HOW IT WORKS

AGES 16 TO 49

If you are between the ages of 16 and 49 you may deposit 25 cents, 50 cents, \$1.00 or \$2.00 a week for 100 weeks, and at the end of that period you will get back \$25.00 for the 25-cent membership, \$50.00 for the 50-cent membership, \$100.00 for the \$1.00 membership, or \$200.00 for the \$2.00 membership.

If you should die any time after the first deposit is made, and before the end of the 100 weeks, your family or the person you name will at once receive through the bank the full amount of \$25.00, \$50.00, \$100.00 or \$200.00 according to the membership you carry. You may take any number of memberships in one name between the ages of 16 and 49 not to exceed \$2.00 per week.

AGES 10 TO 15

A boy or girl 10 to 15 years of age may deposit 25 cents, 50 cents or \$1.00 a week for 100 weeks and receive \$25, \$50.00 or \$100.00 at the end of 100 weeks, and in case of death any time after the first deposit is made, the parents will be paid at once through the Bank, the full amount of \$25.00, \$50.00 or \$100.00 according to the membership carried. Boys and girls of this age can take memberships up to \$1.00 a week only.

AGES 5 TO 9

Parents may deposit 25 cents or 50 cents a week for each child between the ages of 5 to 9 years, for 100 weeks and get back \$25.00 or \$50.00 for each child at the end of 100 weeks. In the event of the death of a child before the end of the 100 weeks the parents will receive at once the full amount of \$25.00 or \$50.00 according to the membership carried.

QUALITY first—then COMFORT—then STYLE—then PRICE. That's the plan in our shoe department.

We look out for the QUALITY; we buy only the best. COMFORT: that's where we fit you with the exact last you ought to have. STYLE: that's the cut and and finish the makers must give us, because we demand it. PRICE: our good quality, comfortable, stylish shoes cost no more than the other kind—and our shoes LAST longer.

ACCOUNTS

We have been very lax with the collection of our accounts. We have shown a fraternal disposition to extend credits for long periods, which is positively hurtful to business, more especially when you understand that we have conducted our business on the basis of very small profits.

There is no valid reason why accounts should not be settled every fifteen days—or, at the farthest, every thirty days—except in cases of unusual misfortune. In such cases we are always cheerfully willing to accommodate our customers.

We need the money, and kindly request that our friends settle their old accounts.
